

FIRST AID POLICY

The first aid boxes is located in: **The Children's Bathroom.**

It is accessible at all times with appropriate content for use with children.

The appointed person responsible for first aid checks the contents of the boxes regularly* **Shelly Mahoney and Hollie Burge** and replaces items that have been used or are out of date.

First aid box should only contain items permitted by the Health and Safety (First Aid) Regulations Act 1981, such as sterile dressings, bandages and eye pads. No other medical items, such as paracetamol should be kept in them.

*All/*most of the staff are trained in paediatric first aid and this training is updated every three years.

All first aid trained staff are listed in the hall way and in the bathroom. When children are taken on an outing away from our nursery, we will always ensure they are accompanied by at least one member of staff who is trained in first aid. A first aid box is taken on all outings, along with any medication that needs to be administered in an emergency, including inhalers etc.
